

Special Stamp Issues – “Dinosaurs” and “Miss 13 Dots Comics”

Are you ready for an excursion through time among prehistoric creatures? The special stamp issue “Dinosaurs” is scheduled to release on 15 November 2022, the images of its stamps and stamp sheetlet are revealed below. Interested philatelists can place their orders on this set of stamps and related stamp products via Advance Order Service. This set of six stamps feature seven dinosaurs, namely Tyrannosaurus, Spinosaurus and Triceratops from the Cretaceous period, as well as Diplodocus, Brachiosaurus, Allosaurus and Hesperosaurus from the Jurassic period. The denominations on these six stamps are updated according to the postage adjustment.

For “Dinosaurs” special stamp issue, the first round of advance order ends on **3 October 2022** (Order by form or online via *ShopThruPost*); the second round of advance order ends on **31 October 2022** (Order online via *ShopThruPost*).
