The China Hong Kong (SAR) Philatelic Society – “2026 Philatelic Exhibition”

Established in 1995, the China Hong Kong (SAR) Philatelic Society has been actively contributing to the local philatelic community for over 30 years. Each year, the Society organises a free public philatelic exhibition to encourage novice philatelists in Hong Kong to take their first step into organising their own stamp collections for exhibition.

The Society will host the “2026 Philatelic Exhibition” from **15 to 16 August 2026**, featuring around 50 frames of philatelic exhibits meticulously prepared by members of the Society. Philatelists from Hong Kong and the Chinese Mainland are cordially invited to visit the exhibition at the designated time and exchange philatelic insights. Hongkong Post has specially created a cachet for this exhibition, available for stamping by participating philatelists as a permanent keepsake. Details of the exhibition are as follows:
