

Special Stamp Issue —  
“Hong Kong Museums Collection – 19<sup>th</sup> Century China Trade Paintings”

Mint Stamps

A set of special stamps on “Hong Kong Museums Collection – 19<sup>th</sup> Century China Trade Paintings”, with associated philatelic products, will be released for sale on **25 May 2021 (Tuesday)**.

China trade paintings, which emerged in the 18<sup>th</sup> century and flourished in the 19<sup>th</sup> century, portrayed the local customs, lifestyle, landscapes and scenery of China in that era. Painters of these works of art included Western artists who travelled to China, as well as native Chinese artists who mastered Western painting techniques. This extraordinary genre of art has become an invaluable resource for historical study and bears witness to the artistic achievements of both Chinese and Western artists of the time. Hongkong Post is continuing its Hong Kong Museums Collection by issuing a set of six stamps and two stamp sheetlets on the theme of “19<sup>th</sup> Century China Trade Paintings”. With the eight selected paintings that documented the varied facets of the market at the time, the issue brings back the century-old shopping paradise in South China captured in the China trade paintings in miniature.
